

School District 70 (Alberni)

School Registration for 2017/18

Student registrations for the 2017/18 school year will occur in two phases:

Phase 1: Catchment Students

Prior to February 28, 2017, the following students should register at their current catchment area school:

- children born in 2012 registering for kindergarten
- children currently attending another SD70 school but intending to enroll in their catchment area school for next September

It is expected that catchment area children currently attending their catchment school or currently enrolled in French Immersion will continue to attend their current school/program in the following school year. These students do not need to re-register.

Phase 2: Out-of-Catchment Students

As of March 1, 2017, out-of-catchment requests, subject to available space, will be considered only after all catchment area students meeting the February 28th deadline have been accommodated.

When registering your child in your catchment area school, please ensure that you have the child's birth certificate and care card, as well as proof of residency in the catchment area.

For additional information on student admissions and school of choice, please contact the school principal or refer to Policy 500 at www.sd70.bc.ca.
