

Alberni Valley Community School

at Alberni District Secondary School

Alberni Valley Community School is located in Port Alberni. Our offices are at Alberni District Secondary School (ADSS). We believe the school has a place in the community and the community has a place in the school.

We provide before, during and after school programs and supports for vulnerable students in the six elementary schools and one high school in our community. In addition, we offer licensed child care through Dunn Before & After School Care in the Early Years Centre at EJ Dunn Elementary School; coordinate tiičmis Wellness Centre at ADSS; and hold the contract for the School Meal Program in Valley elementary schools.

You can contact Alberni Valley Community School coordinator, Cathy Cross at ccross@sd70.bc.ca or 250-723-6251 ext. 2430.
