Welcome Back and Happy New Year!!

End of Semester Preparations.....

We are in the final month of Semester 1 and preparations are well under way. Teachers and students are reviewing materials and prepping for the final exams. The exam schedule is included below. Parents should be aware that *during exam week school is in session for students*. Students are not off from school when they don't have an exam. Students will have the opportunity to plan their non-exam time with teachers to fit their learning needs. When not in an exam, students should be meeting with teachers to clarify content, preparing for exams, catching -up on missing work, exchanging textbooks or asking questions. All teachers will have posted classroom times indicating when they will be available to work with students.

The Armada Senior Boys are on a quest to defend their title from last year, and the Armada Senior Girls are looking to recapture the Totem Prize after winning it the previous two years.

Parents of 2014 Grads

Semester one is quickly coming to a conclusion. Exams are slated for the end of January, students have been informed of their exam schedule. Did you receive a letter in the mail about Grad? Please come in to see us if you did to clear up any issues. Parents can also e-mail rostwald@sd70.bc.ca to see if their Grad is owing any ADSS fees or texts that will prevent them from participating in the graduation activities in June. First semester texts can be returned during exam week.

Counselors from various college/universities will be here to meet with grads applying {early admissions is now open!} to their post-secondary. UVIC will be at ADSS on Wednesday Feb. 5th in the afternoon and appointments can be made in the counselling center.

Is your grad lost as to what their plans are for next year? Have them come in to see a career counselor or Mr. Ostwald for ideas.

If you do not know what you are going to do about life, life will do something to you, either you master life or life will master you, trust and believe in yourself.

PROM 2014 News

Thank you to all of the grad's (and parents) who came out to the bottle drive on the Jan 4th. We had a great turn out and we raised just over \$2000.00. The Samosa fundraiser before Christmas did very well, (selling over 400 dozen). We are still waiting for the final number, but looks like it will be over \$2000.00 raised. Grad wear was also a huge success. We would also like to say thank you all the parents and grads that were designated drives. We will have more events coming up. Tag day will be happening on Feb 7 (Friday night) and Feb 8 (Saturday all day). We will need grad's to take a turn at one of the many locations in town. Reminder that if you have sold your chocolate bars to bring in the money, Tuesdays at lunch. We will also be selling Prom tickets. The cost is \$100.00. We are only asking for a \$50.00 deposit at this time. This weekend is Totem, come out and show your support for the school. As many grad's are involved in Totem. There will also be grads selling Panago pizza certificates for \$10 and Chocolate bars for \$2. The next meeting will be Tue Jan 14, upstairs at the Multiplex. Everyone welcome, including grads. Thanks .The Parent Grad Committee 2014
