P.E. Strip

A complete change of strip is necessary for both indoor and outdoor units. Students at EJ Dunn are responsible for arriving to PE class on time and ready to participate in PE outside or inside, rain or shine.

Indoor Strip – shorts/sweat pants, t-shirt, shoes that tie (skater shoes discouraged because of safety concerns), hair tie (girls)

Outdoor – extra socks, shoes and a sweatshirt/sweat pants are strongly recommended. An extra waterproof jacket and/or sweater are also a good idea. For the hot weather hats, sunscreen and sunglasses are encouraged.

Carrying Bag – Something that you can carry your PE strip to and from PE class with. Except for PE class this will be stored in your hallway locker so ideally it is relatively small and breathable.

PE Locks - Unfortunately there are not enough PE lockers for everyone in the school to have one. As such students are asked to have a separate combination lock to bring to the gym with them to use during their PE class.

P.E. strip should be labeled with your name

Please note: Individual teachers may require additional supplies and some supplies may need to be replenished throughout the year.
